February 8 - 11, 2018

2018 GREATER TOLEDO AUTO SHOW

To: Participants of the 2018 Greater Toledo Auto Show

From: Toledo Automobile Dealers Association

Re: **PROCEDURES FOR CHECKING-IN DISPLAY VEHICLES**

This letter is intended to set out and clarify the requirements for all vehicles that will be displayed inside the SeaGate Convention Centre during the 2018 Greater Toledo Auto Show.

When the vehicles are entering the Convention Centre a representative of the Toledo Automobile Dealers Association (TADA) will verify there are less than 5 gallons of gasoline in the tank upon arrival. When the fuel level has been verified a color-coded sticker will be placed on the lower left side of the windshield. No vehicles will be permitted to enter the facility without this color-coded sticker and the sticker should remain on the windshield of the vehicle for the duration of the show.

Once the vehicles are in place, a TADA representative will then inspect each vehicle in the display and ensure the following: (1) the gas cap has been securely and completely taped all the way around the cap thus preventing the escape of any gasoline vapors (2) both battery cables have been secured with heavy plastic fasteners to a fixture within the engine compartment. Under no circumstances are battery cables to be reattached without approval of the Toledo Fire Department or show management. Excel Decorators will have plastic fasteners and duct tape available for you to secure the vehicles.

You will also need to supply one set of keys for each vehicle that will be displayed. Keys must specifically identify the vehicle to which they operate.

In addition to the Toledo Fire Department performing audits throughout the Auto Show, TADA will also randomly inspect vehicles to ensure that vehicles continue to comply with these established rules. The Toledo Fire Department will also be issuing citations for those vehicles that are not within compliance.

We all want the 2018 Greater Toledo Auto Show to be the best show to date. Your cooperation in assisting us with these procedures and assuring the safety of the show is appreciated. We look forward to another very successful show. Should you have any questions regarding this or anything else related to the Greater Toledo Auto Show, please contact Kelly Danison at kdanison@oada.com or (614) 923-2228.

Exhibitor Information

Shipping and Receiving

The SeaGate Convention Centre recognizes the importance of an exhibitor's shipping and receiving schedule. However, our facility does not have dedicated storage space for exhibitor materials whether they are inbound or outbound. Because of this, strict guidelines have been established for freight being received or shipped out.

The SeaGate Convention Centre will receive exhibitor's shipments only **TWO** days prior to their event. All items arriving earlier **will be refused**. Deliveries arriving on the contracted move-in day(s) will be placed inside the main exhibit hall.

All shipments must be labeled with: Show Name, Company Name, Contact Number & Booth Number

**Inbound Freight will be accepted starting on:
Friday, February 2nd, 2018**

If you require your shipment to be received earlier or would like to insure its timely delivery, we recommend calling the decorator or general contractor for the show. They will allow you to ship freight directly to them in advance; they will transport it to the SeaGate Convention Centre and unload it to your booth. Additionally for any extra tables, chairs, carpet, or drape needs contact the decorator to assist you in acquiring these products.

The decorator for the show is Excel Decorators

Please contact Ohio Automobile Dealers Association for additional information

The exhibitor must coordinate to have the freight removed from the facility by the end of the scheduled move out of the event. If your shipper (including UPS & FedEx) has not picked up your freight by the end of the scheduled move-out, it will be forced to the decorator or general contractor and they will ship it by the most available means. The exhibitor will then be responsible for all drayage and/or shipping charges. **The SeaGate Convention Centre is not responsible for freight left unattended after the close of show.** The SeaGate Convention Centre does not provide air bills or bills of lading to vendors or exhibitors, they must bring their own.

**Outbound Freight must be removed by:
Monday, February 12th, 2018**

Vehicles

All gasoline powered vehicles (including lawn mowers, tractors, etc.) must arrive with less than 5 gallons of gas in the vehicle's tank, have the battery disconnected and duct tape placed over the vehicle's gas cap. Once the vehicle is inside, it cannot be moved (unless pushed) until the show closes each day. The show decorator might have some additional requirements in order to protect their carpet. Vehicles being left in the SeaGate Convention Centre must turn in their keys to SeaGate Convention Centre security.

Signs, Banners & Posters

Exhibitors/clients who wish to attach signs, banners or posters to the facility's walls, pillars, airwall or floor please use blue painters tape or poster putty, which can be found at any office supply store. **The use of duct tape, scotch tape, masking tape or any other self-adhesive is strictly prohibited.**

Helium Tanks

Any helium tanks that are brought into the SeaGate Convention Centre for use prior to or during an event, **MUST** be secured to an upright hand cart designed for the tank and its size. The cart **MUST** be equipped with straps that can secure the tank to the cart. Free standing tanks without the cart **WILL NOT** be permitted inside the SeaGate Convention Centre. Any questions can be directed to the SeaGate Event Coordinator.

Helium Balloons & Blimps

Helium balloons are permitted inside the facility; however, there is a minimum \$100 fee for recovery of balloons that have risen to the ceiling. If a **show exhibitor** has handed out balloon(s) to an attendee who later loses the balloon to the ceiling, **show management** is responsible for the fee. Small-motorized helium blimps are permitted in the building if the Show Manager has given his/her approval. If approved, the blimp must stay at least 10' from the ceiling. The same \$100 fee will be charged if retrieval from the ceiling is required.

Guest Ticket Order Form

Guest Tickets are \$5.00 each and must be purchased prior to the show.

Guest Tickets are for **customers**, friends, relatives, spouses, significant others, children, and employees that are NOT working the show.
